Business of the Month

Eischen Chevrolet-Olds Co.

In August 1984, Pete Eischen purchased the Chevrolet-Oldsmobile dealership in Fairview from Howard Way. Howard had owned the franchise since purchasing it from Wayman Cornelsen in 1966, and had built its current location in 1969. Pete & Cathy moved to Fairview from El Reno to their current home at 1001 Jester.

Original employees still at the dealership and their original year of employment are: Ed Gould, Sales Manager, 1972; Debbie Heffel, Office Manager, 1978; Gene Wells, Parts Manager, 1979; Shirley Warner, Office, 1980; and Norman Bartel, Service Manager, 1980. Joining the dealership since then are brother George, Sales, 1987; Larry McClure, mechanic, 1991; Holly Morrison, Office, 2001; Rodney Schadler, Mechanic, 2005; Delbert Nightingale, Detail & Make Ready Manager, 2001; and Kyle Koehn, Detail, 2006.

Pete and Cathy wish to thank the people of Fairview for their patronage the past 23 years. Being able to raise their kids, Megan and Jeff, in a quality town has been a blessing. We are honored to be the Chamber Business of the Month.

Chamber's Easter Egg Hunt Set for April 7th

The Chamber's Annual Easter Egg Hunt is on Saturday, April 7, 2007, at 10:00 am in Specht Park. Your sponsorship makes this event a success. The cost will be the same as the past several years - starting at increments of \$15.00, which covers the cost of the 48 eggs, candy and prizes; the cost of advertising the event, and the thank you/acknowledgement ad listing the sponsors. We have 5000 eggs to fill. We appreciate your sponsorship with this traditional event. We have had over 500 children from Fairview and the surrounding communities participate in the thrill of hunting for Easter eggs. Your donation above and beyond \$15 make the grand prize eggs and corresponding toys in each age group possible. We make sure every child goes home with eggs. Contact the Chamber office to pledge your level of support for this great community event. *Thanks! Susie Martens, Easter Egg Hunt Chair*
