Business of the Month Jiffy Trip (North)

1105 North Main
Fairview, OK 73737

Congratulations to Hoby and Jo Hammer for Jiffy Trip being selected as the Chamber's Business of the Month for July.

New Dues Rates Effective July 1

At the March Chamber Board meeting the directors voted in favor of an across the board adjustment in membership dues. The board expressed their desire to continue to try to mitigate the impact of constant fund raising in order to support community functions and citing that the last adjustment was made in 2000. The adjustments were announced at one of our regular Monday luncheon meetings in April and additional information reflecting the new schedule was published on the back of the May newsletter. This adjustment will take effect on July 1, 2006.
