Business of the Month George Barkett Agency

The Barkett name has been synonymous with Main Street business for over 60 years. Barkett's Stores reputation was known area wide for its quality men's and women's clothing as well as service to their customers for over 35 years.

After closing the store, in 1976, George became an agent for Farmland Insurance, later acquired by Nationwide Insurance Company, and was Chairman of the Farmland Advisory Council for many years. The Council consisted of The President, the Vice President, and the Secretary/Treasurer of Farmland Insurance Co. along with one agent from the 20 states in which Farmland did business. George also won many awards as the top producer for 10 years running.

In 1994 he opened the George Barkett Agency. Whatever the need and using only the top rated insurance companies, such as American Reliable, Mercury Insurance Group, AIG, Progressive Drive, Blue Cross & Blue Shield, American Medical Security, Pacific Life and dozens of others through brokerage firms, this agency can find a great product for anyone. George has 14 associate agents under his umbrella and represents clients in 45 Oklahoma counties and in the states of Kansas, Missouri and Nebraska. Our mission is to determine the client's needs, use the best product suited for each client and above all, service, service, service. These basic commitments are the keys to the 25 years of success at the George Barkett Agency.

Bylaw Revisions

Every three years we're required to review the Chamber bylaws and make necessary revisions. Our bylaw committee completed that task and the proposed revisions were emailed to 119 members and associates. Copies of the revised bylaws being proposed are available in the Chamber office. We will vote on the changes at our August 15th Business Meeting.
