## **Business of the Month Moose & Stewart CPA's PC**

Moose & Stewart CPA's PC is a firm of certified public accountants that provide services related to tax matters, accounting, and other business services. We have been serving our clients in Northwest Oklahoma since 1973 from our office in Fairview and the Vici/Arnett office since 1978. The firm originated in 1973 as Allen Moose CPA when Allen moved to Fairview and opened a public accounting office.

At first he shared an office with an attorney in town, Jim Wilkinson, who later became Associate District Judge. In 1978 he built their office at 101 E. Ash. Michelle Stewart began working for Allen in 1985 and in January 1991 they became partners in the accounting firm known as Moose & Stewart CPA's. Allen's is married to Carlene Moose, has two children, Mark and Christi, who graduated from Fairview High School, and both are now married and live in Louisiana and Washington respectively. They also are proud of two grandchildren and one on the way. They are members of First United Methodist Church.

Michelle (Schroeder) Stewart is a graduate of Aline-Cleo High School and is married to Chris Stewart a Fairview High School graduate. They have two children, Baxter and Jordan Stewart who attend Fairview High School. They are members of Elm Grove Assembly of God Church. There are presently four CPA's and two staff persons in the firm. We are happy to be members of the Fairview Chamber and Northwest Oklahoma community.
